

...Converting Transactions into Relationship

MESSAGE FROM THE CEO

3M+ Construction was founded by a team of Nigerian and expatriate professionals comprising of engineers, quantity surveyors, and supported by a well managed finance and administrative team.

The significant growth and success of 3M+ Construction over the past years can be attributed to our business model, which is based on a strong culture that has always put people first. Our guiding principles include teamwork, the assumption of responsibility and respect for all.

I am confident that 3M+ Construction will continue with its strong growth and evolve to always meet the needs of our Customers and capture the opportunities within the construction and engineering sector.

I believe we are well positioned to become a major player in the Nigerian Construction Industry within the next 5 years.

Finally, I wish to record my appreciation for the wise counsel provided by my Dad, S. A. Jammal over the years that I worked with him as the MD of his company. I would also like to thank my executive team, our Project Managers, Site Engineers, Quantity Surveyors and Administrators.

I also thank our clients for their trust and confidence and I assure them of our continued services to the highest degree of professionalism.

May God bless all of us and protect our country Nigeria.

MISSION

To be the leader in providing value-added construction services to our customers by creating a successful partnership with them throughout the construction process. Our pledge is to establish lasting relationships with our customers by exceeding their expectations and gaining their trust through exceptional performance by every member of the construction team.

VISION

“To be the Nigeria's premier engineering, construction, and project management company”.

HEALTH AND SAFETY POLICY

3M+ Construction is committed to providing a safe and healthy work environment for its stakeholders and to conducting its various businesses in a safe manner. Health & Safety are core values that are incorporated into all aspects of our business.

We integrate health and safety objectives into our management systems at all levels. Management is accountable for the prevention of injuries and occupational illnesses.

Everyone working for 3M+ Construction expects a safe and healthy work environment and in turn, we expect each and everyone to contribute to that safe environment through responsible behavior.

When it comes to Health & Safety, 3M+ Construction believes the only acceptable performance is the number zero for accidents, incidents or occupational illnesses. Reaching this goal is critical for us in our drive to attain excellence.

COMMUNITY RELATIONS

Provide community development and assistance to the host community. 3M+ Construction Ltd has provided roads, funds and building materials to host community projects.

Through profit deductions we make donations in different communities twice a year as part of our corporate social responsibility.
